

Tara searches for the bartender who knows what to do with the event given to her.

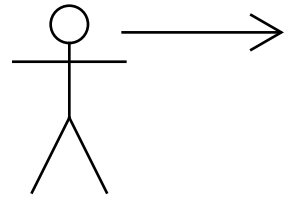

Tara

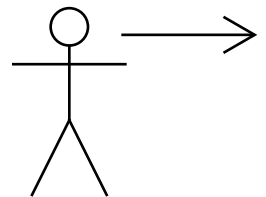

Bartenders with their secret directions

Bob

Mary

Sue

Orbs (events) which could be given to Tara

● Event(signal=signals.Bob)

● Event(signal=signals.Mary, payload="Red")

● Event(signal=signals.Sue, payload="Orange")

**signal names** correspond to zero or more bartenders who know where to go
